

STUDIO SLY

HEttY

Type Specimen

Hetty is a headline font, developed from exploring condensed neo grotesque letters. Adding moments of lowercase curvature for a playful twist, Hetty can be serious at times and boisterous in others. Version 1 currently available with further glyph additions to come in the future.

Studio Sly End User License Agreement (EULA) Desktop and Web License.

The use of trial or demo font versions are for strictly personal use only. Any indication of commercial use of trial fonts will result in copyright infringement and must be purchased.

The purchase of a Studio Sly font makes the buyer a licensed user of the font, not an owner and by purchasing this font you agree to accept the license terms. This license grants you a non-exclusive, non-assignable, non-transferable license to use the font under the terms and conditions agreed.

Studio Sly fonts and all information may not be sublicensed, sold, leased, rented, or given away to a third party or distributed without permission of Lauren Finks.

This license allows the user to install the font on up to but no more than 3 devices. The Licensee may embed the fonts in electronic documents such as PDF, Flash and Microsoft Office or multimedia files. Any other application must be approved by Studio Sly.

When your order is placed you will receive an invoice with Paypal link to purchase. Upon payment you'll receive an active link to download the font files in which you will receive (1) desktop file (.otf) and (1) web file (.woff). Website license is for up to 10,000 page views per month. Our fonts are Mac preferred and although they are tested continuously we cannot guarantee performance on PC. If you experience issues please contact Studio Sly for a replacement copy.

Studio Sly will not be responsible for issues arising due to inexperience using font files or use in specific applications not suitable for the font.

The rights to the designs are strictly the property of Lauren Finks and remain exclusively owned and copyright protected. The font software is also copyright protected. We reserve the right to update this agreement at any time.

Failure to adhere to the agreement may result in the user being liable.
